HALE BROS. & CO.

We have observed during the past few months that closing our stores at 6 o'clock has worked no small amount of inconvenience to a great many of our patrons. Desiring to meet the requirements of our trade, and at the same time give our employes a chance for profitable recreation, we have decided to set apart every WEDNESDAY EVEN-ING for the benefit of purchasers, and on this evening will keep our stores open until 8 o'clock.

Until further notice, our Stores will close at 6 o'clock, Wednesday and Saturday Nights excepted.

We believe the people are willing to be convinced. We do not believe the people can be hoodwinked by any catch-penny game. We offer no penny inducements for the purpose of drawing a crowd, but ask for your trade only as we may merit the same. The solid logic of LOW PRICES throughout the House, combined with good goods, is having a telling effect with all CASH BUYERS. Our would-be competitors may squirm under the lash of reduction, still we shall persist in cutting down our prices to conform with the times of the present day; and you may rest assured it shall not be one article, nor for one day, nor at any certain time of day, but every item quoted will be found on sale each and every day until all are sold. We guarantee our prices against any on this coast, quality considered. Compare the prices throughout our House before buying elsewhere.

What the Yuba County Supervisors Think of the Campbell Case.

Evidently the Board of Supervisors of Yuba county are getting tired of "the law's delay"-at least, one would judge so from the resolutions passed by them on Friday last, calling upon Governor Stoneman to miners are violating the injunctions of Judge Sawyer, for the enforcement of the decrees of the Court.

The resolutions are as follows:

My Dear Wije: I have left you and our children in the land of the despot, but God grant that I may soon be able to make the Union men of Kentucky feel the edge of my knife. From this day I hold every Union traitor as my enemy, and from him I scorn to receive quarter, and to him I will never grant my soul in death, for they are cowards and villains erough. Brother Henry and I arrived here without hindrance. I have had chills all the way, but I hope to live to kill forty Yankees for every chill that I have had. I learn that Hardee is still in Arkansas. Lee is reported inactive, and if this proves true I will tender my resignation, to go immediately to Kentucky. I hope that I will do my duty as a rebel and freeman, since I know the Union men of Kentucky. I intend to begin the work of murder in earnest, and if ever I spare one of them may hell be my portion. I want to see Union blood run deep enough for my horse to swim in. Your husband,

Quaker Testimony.

Mrs. A. M. Dauphin, a Quaker lady, of Philadelphia, has done a great deal to make known to ladies there the great value of Mrs. Pinkham's Vegetable Compound, as a cure for their troubles and diseases. She writes as follows: "A young lady of this city while bathing some years ago was thrown violently against the life line and the injuries received resulted in an ovarian tumor, which grew and enlarged until death seemed certain. Her physician finally advised her to try Mrs. Pinkham's Com und. She did so, and in a short time the tumor was dissolved or caused to slough off, and she is now in perfect health. I also know of many cases where the medi cine has been of great value in preventing miscarriage and alleviating the pains and dangers of childbirth. Philadelphia ladies appreciate the worth of this medicine and and its great value."

A QUESTION ABOUT Brown's Ivon Bitters ANSWERED.

The question has probably been asked thousands of times, "How can Brown's Iron Bitters care everything?" Well, it doesn't, But it does care any disease for which a reputable physician would prescribe IRON Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had ever been found.

BROWN'S IRON BITTERS does not injur headache, or produce constipation—all other iron medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malária, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Hendache and Neural-gin-for all these ailments Iron is prescribed daily, BROWN'S IRON BITTERS, however, does minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In teomen the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. Physicians and Druggists recommend it. The Genuine has Trade Mark and crossed red lines on wrapper. TAKE NO OTHER.

EFFENDI MAIER

HIS "ORIENTAL REMEDY" Has performed the most wonderful cuves, of which we will speak shortly. He has traveled over sixteen years in the Orient, and speaks eighteen different languages. Being a descendant of celebrated Turkish Prophets, he is himself gifted with the power to tell immediately the character of the disease to his patients, and whether his Oriental Remedy will be useful to them in their sufferings, or not recommend it to them when no cure can be performed. Being descended for generations in a direct line from a family of physicians, he has received from them the formulas for his remedies for Rheumatism, Consumption, Catarrh and Female Diseases. In these as well as in other diseases, the Oriental Remedy has cured sufferers, whose ailment had been pronounced incurable by licensed and unlicensed physicians. The criental Remedy has cured hundreds of sufferers in all parts of this country, and numbers of Testimonials can be shown to those who take an interest in such matters.

EFFENDI MAIER'S Wonderful Oriental Remedies Cure

onsumption, Neuralgia, Paralysis, Lumbago, Caneer, Rheumatism, Seminal Weakness, Pleurisy, Catarrh, Asthma, Bronchitis, Dyspepsia, Indigestion, Gastric Troubles of the Stomach, Lucorrhea, Piles, Fistula, Pulmonary Troubles, all Diseases of the Throat and Lungs, Diseases of Women and Children, Cerebro Spinal-Meningitis, Bright's Disease of the Kidneys, Scrofula, Taint in the Blood, Tumors, Impotency, Malarial Fevers, Sciatica, Rupture, Stops the Growth of Hair on the Face, Baldheads, Toothache, Headache, Hip and Spine Diseases, Small Pox, Typhus Fever, Cholera, Yellow Fever, Deaffices, any Open Wound, Cut, etc. Small Pox, Typhus Fever, Cholera, Yellow Fever, Deafness, any Open Wound, Cut, etc.

These remedies are all prepared from roots and herbs growing in the Orient, and some of them are brought great distances on the backs of camels to dations, whence they can be shipped to ports of commerce. These kemedies act in such a manner as to separate all diseased matter from the blood, leaving the system in a perfectly healthy or adition.

Many cases of Consumption have been cured by his refredy in one-half (%) month. Rheumatic cases of many years' standing have been cured in his (9) minutes. Kidney Diseases in from one to two (1 to 2) minutes. A sure cure for Cancer in from two to three (2 to 3) months. The wounds after Cancer will be healed so smooth that nobody can tell where the Cancer was. EFFENDI MAIER can be found at his office from 9 to 11 A. M., and from 1 to 4 P. M.
